3. Information about us

National Car Parks Limited and its associated company National Car Parks Manchester Limited are registered in England and Wales under company numbers 253240 and 3643895 respectively. The registered office of both companies is at Saffron Court, 14B St Cross Street, London, EC1N 8XA. In certain Car Parks and for certain parking services, we act as agent on behalf of the Car Park owner or the Car Park operator, which may be a local authority, corporate entity or other organisation. This will not affect your rights or obligations under these Pre-booking Terms and Conditions.

4. How the contract is formed

(a) Online If you place an Order online, you will be making an "offer" to us to purchase parking and/or related services at a Car Park. Placing your Order does not mean that your Order has been accepted. All Orders are subject to acceptance by us, and we shall confirm our acceptance to you by advising that your Booking is confirmed. The contract for the parking and/or related services will only be formed when we advise that your Booking is confirmed.

(b) By Telephone If you make an enquiry about purchasing parking and/or related services at a Car Park, we will confirm the agreed price by providing you with a proposal which will be us making an "offer" to you. To accept the offer, you will need to confirm to us by telephone that you wish to proceed to book parking and/or related services so that we can take your payment details. The contract between us will be formed when we have taken your payment details. We will then advise you that your Booking is confirmed. Telephone bookings will be subject to an administration charge, details of which will be advised to you before the contract is formed; except as referred to in condition 8(f), this telephone booking administration charge is non-refundable.

5. Payment methods and receipts

We currently accept payment for pre-booking parking and/or related services at a Car Park by credit card and debit card. Your booking confirmation is your receipt for payment.

6. Your Booking

(a) When you book car parking through the Website or Booking Line, you will be given a Booking Reference unique to your Booking. This confirms that (save as referred to in condition 7) you have a space to park guaranteed for the Booking Period specified in your Booking.

(b) The Booking you make is non-transferable, either from you to someone else or between different Car Parks.

(c) The Booking you make is valid only for the Booking Period and at the price specified in your Booking, and for the Nominated Car Park. Prices are subject to change and quotes provided are valid at the time of Booking only. Please check your Booking before confirming payment, as mistakes cannot always be rectified and may be subject to a re-booking or amendment charge.

(d) When you enter and exit the Nominated Car Park, it is imperative that you follow the instructions you have been issued within your Booking confirmation.

(e) If you have booked an NCP Car Park we use some of the following recognition methods:

- (i)** Some of our Car Parks use credit and debit card recognition. For

automatic entry to a Car Park using credit and debit card recognition, you must take with you the credit or debit card you used to make your Booking. Please enter the credit or debit card you used to make your Booking into the Nominated Car Park entry barrier and it will enable you to access the Nominated Car Park. No parking ticket will be issued. This credit or debit card must be used to exit the Nominated Car Park. As detailed in condition 6(g), any additional charge resulting from your actual time in the Nominated Car Park differing from the Booking Period (and any credit card surcharge) will be debited to the credit or debit card used to make your Booking automatically on exit from the Nominated Car Park.

(ii) Some of our Car Parks use automatic number plate recognition as a recognition method for entry. For automatic entry to a Car Park using automatic number plate recognition, you must arrive in the vehicle to which your Booking relates. To be presented with your parking ticket, please drive up to the Nominated Car Park entry barrier and a parking ticket will be automatically presented to you. This parking ticket must be used to exit the Nominated Car Park.

(iii) Some of our Car Parks use quick response (QR) code recognition. When you pre-book parking at a Car Park using quick response (QR) code recognition, you will be given a Barcode with your Booking Confirmation. The Barcode should not be adapted in any way, including shape or size from the original format, and it should not be damaged. If it is adapted or damaged, the Barcode may not work and will not permit entry to the Nominated Car Park to which your Booking relates. For automatic entry to a Car Park using quick response (QR) code recognition, please present the Barcode either on the display of a smart phone, or on paper, to the scanner at the Nominated Car Park entry barrier. Where relevant, you will then be presented with your parking ticket. The Barcode or (where relevant) the parking ticket must be used to exit the Nominated Car Park.

(iv) When you pre-book parking at a pay and display Car Park, details of what you will need to display at the Nominated Car Park will be sent with your Booking Confirmation. This could be a booking reference number or a quick response (QR) code. This will need to be displayed on the dashboard of the vehicle to which the Booking Confirmation relates. Failure to do this may result in the issue to you of a parking contravention notice. If a Barcode is issued, the Barcode should not be adapted in any way, including shape or size from the original format, and it should not be damaged. If it is adapted or damaged, the Barcode may not be valid for the Nominated Car Park to which your Booking relates. Failure to do this may result in the issue to you of a parking contravention notice.

(f) If you are issued with a car parking ticket on entry to the Nominated Car Park, please retain this in a safe place as you may need it to exit the Nominated Car Park. On exit from the Nominated Car Park, please follow the instructions issued to you at the time of Booking.

(g) The Booking only permits you to make one entry and one exit per Booking. It does not allow you to make multiple entries and exits during the period of your Booking. Breach of this may result in the issue to you of a parking contravention notice.

(h) The Booking Period and price charged for when you pre-book is calculated on the basis of the times and date(s) you select when making your Booking. If your actual entry and/or exit time and/or date changes from the Booking Period, and as a result your actual time in the Nominated Car Park differs from the Booking Period, you may be liable for an additional charge. This additional charge will be calculated in accordance with the relevant Car Park Terms and Conditions and the additional charge must be paid before the Vehicle will be permitted to leave the Nominated Car Park. If you booked an NCP Car Park using a credit or debit card to make your Booking the amount of this additional charge (and any credit card surcharge) will be debited to that card automatically on exit from the Nominated Car Park. We reserve the right to determine in our discretion the duration of the Vehicle's stay in the Nominated Car Park in such circumstances. The terms of this condition 4(h) apply irrespective of the reason why you are late back into the Nominated Car Park, unless your delayed return is caused directly by our negligence.

(i) If you have booked a parking and/or related service in an NCP Car Park and when you come to exit your Nominated Car Park, the barrier does not work or is already raised, please press for assistance or contact our Customer Contact Centre on 0345 050 7080 as we will need to register you as leaving the Nominated Car Park to prevent you being liable for any additional charge.

(j) If you have booked a parking and/or related service in a third party Car Park and experience any difficulties in that Car Park you should contact the relevant Car Park operator.

7. Nominated Car Park not available

(a) If we are prevented from or delayed in the carrying on of our business and obligations under our contract and/or these Pre-booking Terms and Conditions due to circumstances beyond our reasonable control (including acts of God, governmental action, war or national emergency, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes), we reserve the right to:

(i) cancel your Booking; or

(ii) offer you parking and related services in an alternative Car Park than the Nominated Car Park to which the Booking relates. If you do not wish to accept our offer of alternative parking or related services, you may cancel your Booking or part of it through the Website or Booking Line.

(b) Where we are prevented from or delayed in the carrying on of our business and obligations under our contract and/or these Pre-booking Terms and Conditions due to Car Park operational reasons, we reserve the right to:

(a) Cancellation by you If you wish to cancel your Booking or part of it, you may do so through the Website or Booking Line. Cancellations made more than 48 hours before the entry time and date specified in your Booking will receive a refund. Please note that this right to a refund does not affect your legal rights. A cancellation charge may be deducted in respect of any cancellation. Details of any applicable cancellation charge will be advised to you before the contract between us is formed. No refund will be given for cancellations made 48 hours or less before the entry time and date specified in your Booking. We will not refund any telephone booking administration charge or credit card surcharge.

(b) Amendments or upgrades If you wish to amend your Booking or part of it, you may do so through the Website or Booking Line. Amendments made more than 48 hours before the entry time and date specified in your Booking will receive a refund if one is due. Please note that this right to a refund does not affect your legal rights. An amendment charge may be deducted in respect of any amendment. Details of any charge applicable if you amend your Booking will be advised to you before the contract between us is formed. No refund will be given for amendments made 48 hours or less before the entry time and date specified in your Booking, or if the change requires additional parking time not specified in your Booking you will have to pay the full daily rate from time to time of the Nominated Car Park. We will not refund any telephone booking administration charge or credit card surcharge.

(c) Non Flexible Bookings Where (as specified in your Booking) the Booking is "Non Flexible", conditions 8(a) and 8(b) do not apply.

(d) Cancellation by us for breach We may also cancel the contract between us at any time on notice to you if you breach any of these Pre-booking Terms and Conditions or misuse your Booking in any way, such as (for example) transferring your Booking to another person or allowing another person to use your Booking without NCP's express prior consent.

(e) Refunds – Nominated Car Park not available for reasons beyond our reasonable control If we cancel your Booking in the circumstances referred to in condition 7(a)(i), or you cancel your Booking in the circumstances referred to in condition 7(a)(ii), then we will refund the amount we have received in respect of your Booking. Please note that this right to a refund does not affect your legal rights. In such circumstances, we will not refund any telephone booking administration charge or credit card surcharge.

(f) Refunds – Nominated Car Park not otherwise available If we cancel your Booking in the circumstances referred to in condition 7(b)(i), or you cancel your Booking in the circumstances referred to in condition 7(b)(ii), then we will refund the amount we have received in respect of your Booking and any telephone booking administration charge and/or any credit card surcharge previously charged. Please note that this right to a refund does not affect your legal rights. In such circumstances, no cancellation charge will apply either.

(g) Refund procedure A refund will only be made where you can provide us with a pre-paid Booking Reference. Refunds are only made to the credit or debit card with which payment was originally made. We do not issue refunds by cheque.

(h) Failure to follow procedures If you do not follow the cancellation and/or amendment procedures set out in these Pre-booking Terms and Conditions, no retrospective refund will be given after the entry time and date specified in your Booking.

(i) No other rights to refund Save as expressly provided for in these Pre-booking Terms and Conditions, no refunds will be given in respect of any booking cancellation and/or amendment.

9. Premium pre-booking

(a) We may offer parking and/or related services at certain of our highest-demand Car Parks from time to time for which we may charge a premium on our standard pre-book pricing. Premium pre-booking will not be available at all Car Parks and, at Car Parks where premium pre-booking is offered, it will only be available on certain dates for certain time frames.

(b) Premium pre-booking will guarantee you a space to park in the relevant Car Park during our peak operating hours, with added benefits such as reserved parking areas, priority exits and 'meet and greet'. The benefits that we offer with premium pre-booking from time to time are Car Park-specific, and (if applicable) will be outlined within the product description within the booking process.

10. Parking Related Services

If you have booked a parking related service, terms and conditions for that service will also apply to your Booking and will form part of these Pre-Book Terms and Conditions. The parking related service terms can be found [here](#).

11. Use of coach/taxi service

THIS SECTION WILL ONLY APPLY IF YOU ARE PRE-BOOKING AN AIRPORT CAR PARK, WHERE A COACH/TAXI TRANSFER TO THE AIRPORT TERMINAL IS INCLUDED

(a) We will advise the coach/taxi service of the times and dates of departure and arrival provided by you at the time of Booking. Use of only one coach/taxi is permitted for each Booking.

(b) You must notify us at the time of Booking of the number of passengers travelling with you.

(c) You must leave an appropriate amount of time to reach the terminal building from the Nominated Car Park using the coach/taxi service. Guides to the estimated transfer time (in normal traffic conditions) are set out on the Website, but in addition to this you must allow sufficient time to find a parking space and access the coach/taxi service. We do not accept responsibility if you miss your flight or your airline check-in has closed because you have not left enough time to get from the Nominated Car Park to the terminal, unless this is caused directly by our negligence.

(d) If you intend to travel with infants requiring special child-safe seating or if you intend to carry outsize luggage or sports equipment, you must advise the coach/taxi service at least 24 hours in advance of your expected arrival time. The contact number for the coach/taxi service will be clearly marked on your Booking confirmation.

(e) On arrival at the Nominated Car Park, you are responsible for calling the coach/taxi service and confirming your arrival. We will not provide telephone access for this service. The coach/taxi service will collect you from a suitable place within the Nominated Car Park. Upon return, you must call the coach/taxi services within the baggage hall and the coach/taxi service will collect you from the designated area as described on your Booking confirmation and will transport you to your Vehicle.

(f) Please make sure that you take all your luggage from the coach/taxi when you arrive at your terminal. We do not accept responsibility if you miss your flight or your airline check-in has closed because you have to recover luggage which you have left in the coach/taxi, unless this is caused directly by our negligence.

(g) Coaches/taxis are designed to accommodate personal luggage only. Items that might cause a nuisance or danger including, but not limited to, large items which cannot be safely stored in the racks provided and live animals may be prohibited.

(h) We do not accept liability for the lack of availability of the coach/taxi service, or for increased duration of transfer times from the Nominated Car Park to the terminal building which are caused by circumstances beyond our reasonable control (including exceptional volumes of traffic, road works or accidents).

(b) A waiver by us of any default by you shall not constitute a waiver of any subsequent default by you of your obligations.

17. Severance

If any of these Pre-booking Terms and Conditions (or any provision of our contract) is found by a competent authority to be invalid, unenforceable or illegal, such term shall, to the extent that it is unenforceable, invalid or unlawful, be severed from the remaining terms and conditions, which shall continue to be valid to the fullest extent permitted by law.

18. Communications

Applicable laws require that certain communications or information we send to you should be in writing. By providing us with your email address as part of your booking for parking and/or related services, you agree to this electronic means of communication, and you acknowledge and agree that all contracts, notices, information and other communications we provide to you electronically comply with any legal requirement that such communication be in writing.
