## 8. Your Season Ticket

(a) Please remember that your Season Ticket does not guarantee you a space, entitle you to park in areas marked as reserved (whether for premier bay users or otherwise) nor confer upon you any element of exclusivity in or over any part of the Nominated Car Park(s).

(b) Once we are in receipt of your first payment for your Season Ticket we will send your Season Ticket to the address you have provided to us or digitally via the NCP App. Please note that there may be additional charges if you select a method of delivery other than first or second class post. If you do not receive your Season Ticket or code within a reasonable period, please let us know so that we can investigate and issue a replacement Season Ticket or code if necessary. If any Nominated Car Park uses ANPR technology, we may choose not to send you a physical Season Ticket but instead we will activate your Season Ticket for your Vehicle for that Nominated Car Park and we will notify you that we have done so.

We will send to you:

(i) Our receipted VAT invoice relating to the charge for the first Period for which payment has been made; and

(ii) If you have set up a direct debit with us, a schedule setting out the dates upon which we will be processing your direct debit payments.

(c) Your Season Ticket will permit you to park one vehicle only in the Nominated Car Park(s) at any one time. You must not, at any time, use the Nominated Car Park(s) as a storage facility for your vehicle or conduct any activity in connection with the selling, hiring, disposal of vehicles, provision of goods or services or any other business at the Nominated Car Park(s) without prior written permission from us, failing which we shall be entitled to immediately terminate all Season Tickets that you have with us at that time.

Please note that we reserve the right to review historical usage of your Season Ticket alongside CCTV footage to determine whether you have misused your Season Ticket and also pursue you for any loss that we have suffered as a result of any such misuse.

If any Nominated Car Park uses ANPR technology and you change your Vehicle during the Period you must notify us of the new vehicle registration mark before using your replacement vehicle in that Nominated Car Park.

Depending upon the type of car park your Nominated Car Park is, you may need to take another ticket from the machine at the entry/exit point to the Nominated Car Park, to allow you access. You will need to produce this ticket together with your Season Ticket to a car park attendant on exit to avoid having to make any additional payments.

(e) If you have purchased a three-day-a-week Season Ticket and you exceed the number of days your Season Ticket is valid for in the relevant Period, you must purchase or hold another valid form of ticket or parking permit for the duration of your stay(s). Failure to do so entitles us to charge you for your stay in accordance with the standard tariff at the car park together with an administrative fee. Where we identify persistent attempts to exceed the number of days, we reserve the right to terminate the Season Ticket without refund.

(f) The opening hours of your Nominated Car Park(s) are on display at the Nominated Car Park(s). We shall not be responsible for granting access to or egress from the Nominated Car Park(s) outside of these opening hours.
